

Directions from Central Bangkok:

Easy directions #1: From the Chaeng Wattana/Laksi/Viphavadi intersection, go west and take the flyovers, as it's quicker. Before you get to Carrefour, turn left at that intersection, which is just after the Naraya HQ. That road is called the Samakhee bypass road or Samakhee Daht Mai (cut new). Take it all the way down to the last set of stop lights (the second set), which is Samakhee road proper. Turn left. Go east about a few hundred meters or so and you'll see a second 7/11 shop on the left. Turn left into that soi before you pass the 7/11. Go straight and you will see a Subway sandwich shop on the left. We are just passed it, also on the left side, next to the CP Freshmart and opposite yet another 7/11.

Easy directions #2: From the Mall Ngam Wong Wan or the Pongpeth intersection, go west on Ngam Wong Wan road to the Kae Rai intersection and turn right onto Tiwanon road. Go north all the way to Samakhee road and turn right. Then simply follow the 7/11 route described in #1 above.

Easy directions #3: From the Mall Ngam Wong Wan or the Pongpeth intersection, go north on Phra Cha Choen road (khlong phra pa) to Samakhee road and turn left. Travel west on Samakhee road all the way down to the 7/11 that exists opposite Samakhee soi 23 (approximately, about 3 kms). You'll then see a huge, tall signboard advertising for the Nichada Thani housing estate (moo bahn), so turn right there after that 7/11, and simply follow the latter part of the instructions in #2 above.
